Hi Rosie,
Yes, good to meet you too.
The Steering Group were delighted at the thought that we might get a performance in the Garden next year.
The preferred option was the Sunday afternoon, but I know you thought that was unlikely.
The second preference was Friday July 12th, followed by Thursday July 18th.
We can help with lots of publicity, both street flyers and social media.
Good luck with the application
Best wishes,
Myanah

Hi Myanah

It was so lovely to meet with you last week - what an amazing space you have created and we would be thrilled if we were able to perform at Forest Gate Community Gardens next summer and beyond!

Re. Dates, we have very few Sunday's, please could you let me know if any of the following options would work your end:

Fri 14th June, 7:30pm
(Sun 23rd June, 3pm, possibly but looking likely we'll be elsewhere)
Fri 12th July, 7:30pm
Thur 18th July, 7:30pm

To confirm, hire fee would be £90

And would you be able to support with marketing/outreach i.e. newsletters, e-mailing your regular users etc?

I will be putting in an Arts Council app, with a focus on expanding to new area, specifically Newham. It would be amazing if you could provide:

- A letter of support from Forest Gate Community Gardens i.e. marketing, space, sharing contacts

Best wishes,
Rosie

Hi Myanah

I'm so sorry, I've just realised I'm out of London on 16th! I might be able to do a Friday (13th or 20th) but may have my toddler with me! Or Mon 23rd?

Best wishes,

Hi Myanah

Apologies, having said I'm free from 9th, is there any chance we could do Wed 11th instead? I'm free anytime from 11am.

Many thanks,

Hi Myanah

I hope you're having a lovely week so far.

Thank you so much for sharing Mohamed Hammoudan and Lily Dettmer's details, I am dropping you all an e-mail now - Newham would be a new area for us so it would be amazing to get on their radar as we find it helps share the project and we may be able to incorporate additional community engagement elements.

Are you available at all next week to have a chat about us performing at Forest Gate Community garden? And might it be worth my popping down to have a look at the space? The pics on Facebook look gorgeous, with lots of delicious looking veggies but I couldn't see a performance space as such so it would be great to see what you had in mind.

I am available anytime :

Mon 18th
Wed 20th

I'm then in rehearsals for the following 2 weeks but back from 9th & Monday/Wednesday mornings are generally good.

Best wishes,
Rosie

Hi Rosie,

Hope you enjoyed your well deserved break.

Great news that you will consider performing in our Community Garden.

I have emailed a very helpful local councillor to find out the best person in Newham Council to contact. I don't expect to hear back very quickly, but will forward details when I get them.

Will be in touch again in September.

Best wishes,
Myanah

Hi Myanah

Many thanks for your e-mail and apologies for the delay, myself and Ursula take a rather needed break after the tour! I'm so glad you enjoyed the show and we would definitely be interested in performing at Forest Gate Community Garden, it looks like a wonderful space - I am particularly interested in expanding to Newham as my partner grew up there. We are also in talks with Applecart Arts about a possible partnership & performing in Plashet Park.

Would it be possible to catch up in September?

& if you could recommend anyone from Newham council to contact, that would be really helpful? We find it always works better when we have support from local council if we are trying out a new area.

Best wishes,

Rosie

Hi,
I am Chair of Trustees at Forest Gate Community Garden.
I saw your production of Romeo and Juliet twice, once in the high winds and once in rain, and loved it.
Is there any possibility that you could use our community garden for a performance next year? I'm sure we could guarantee an audience of at least 60.
Best wishes,
